

## Join South Placer's Annual (Virtual) Interfaith CROP Walk!

On the route of your choice. Anytime in October.

As in previous years, Shepherd of the Sierra will be participating in the interfaith CROP hunger walk. Unlike earlier years, this walk will be virtual (as is most everything else in this COVID age). Instead of a mass gathering, we are encouraging participants to pick a convenient day in October, and to walk with friends or family members on a course of their choosing. 75% of the funds raised by Shepherd's CROP walkers will benefit Church World Services, which provides famine and disaster relief throughout the world. 25% of the funds will go to the Gathering Inn. Here is how you can help us fight hunger here and around the globe:

- You can be a walker. See the **registration** instructions below.
- You can make an on-line donation. See the **donation** instructions below.
- You can make an old-fashioned manual donation by writing a check to Shepherd of the Sierra, with a "CROP Walk" notation on the memo line, and mailing it to the church.

Here's a note on the South Placer walk from Kevin Murphy, Community Engagement Specialist at Church World Services: (In 2019) "You raised \$8619 – an increase of \$2,200+ over the 2018 total; the third highest total in the event's history. Since the walk's inception in 1996, you've raised \$116,472.84. Your highest total ever is \$10,173, raised in 2004. Thank you so much!"
